OFFICE OF THE ... INSPECTOR ... INDIAN SCHOOLS

Diary No. 2416

File No. ...

Dated 18. July 1939.

From

M.S.H. Thompson, Esq., B.A., I.E.S.,
Inspector of Schools,
C. & M. Stn. Bangalore.

To

The Secretary to the Hon'ble
the Resident in Mysore,
Bangalore.

Sir,

I have the honour to forward herewith an application from the Correspondent, St. Joseph's Indian High School, for a grant towards the cost of science apparatus, etc., required in connexion with the teaching of Chemistry as an additional C group subject under the S.S.L.C. scheme.

The total estimated cost of the apparatus and chemicals amounts to Rs.983-12-0. I recommend that, under Rule 50 of the Grant-in-Aid Code for Indian Schools in the Civil and Military Station of Bangalore, a grant of Rs.450 or one half of the actual cost, whichever is less, may kindly be sanctioned. As there are other applications for special grant awaiting consideration, I am recommending the payment of a grant of only Rs.450, which amount the Principal is prepared to accept, though it is less than half the estimated cost.

The expenditure will be met from the allotment under " Account II. Education- B. Secondary - Direct Grants to Non-Government Secondary Schools - Building and Furniture Grant to Secondary Schools" in the current year's Mysore Assigned Tract budget.

I have the honour to be,
Sir,
Your most obedient servant,

Inspector of Schools, 17/7
C. & M. Stn. Bangalore.
